What We Love Most About Our Home at 10700 Chestnut Ridge

1. *Master bedroom is so relaxing. Plenty of space to organize your life in this large bedroom*
2. *Dressing room at master bedroom is fantastic. Spacious but also cozy*
3. *The high ceilings all over and especially at main entrance. Great sensation*
4. *The game room is such a great place for family and kids getting together. Very nice size and is well located*
5. *The kitchen lets you cook nicely and also have friends for dinner & sharing all cooking activities*
6. *The house has a lot of natural light*
7. *The downstairs bedroom can be used as an office and also as a guest room. Your guests will have a nice and quiet stay having a full bathroom*
8. *The bedrooms have great walk-in closets*
9. *The backyard has the right size to enjoy and not so high maintenance needed.*
10. *We have very good neighbors*
